

Dear Liveryman

During this time of social distancing we are all being compelled to find other ways to stay in touch. In this spirit, I am pleased to let you know that the Fellowship Committee is organising a series of **webinars**. These will provide an opportunity to join fellow Liverymen as we hear from distinguished speakers.

The inaugural webinar will take place on **Tuesday 21 April at 5pm** and will last for around 30 minutes. Our guest speaker is our **Liveryman Dr Ellie Cannon**. Dr Ellie is a dynamic, straight talking GP well known for her health pages in the Mail on Sunday and her vibrant presence across TV, radio and social media. Dr Ellie was featured in our last Newsletter (on the Website at <https://ca1-ndm.edcdn.com/newsletters/2019-Needlemakers-Newsletter-FINAL-medium.pdf?mtime=20191008091412>) and will be **answering our questions about the Covid-19 pandemic**.

Questions for Dr Ellie are therefore invited in advance, and should be **submitted by email** to Court Assistant Nick Macrae by no later than 5pm on Sunday 19 April at: nick.macrae@cantab.net.

You will be able to join the webinar on your PC, laptop, iPad or other mobile device by following the link which will be circulated by separate email. There is no need to pre-register for the webinar, but it would be helpful if you can email Nick to let him know if you plan to join the webinar, so he can have an idea of attendance numbers.

Best wishes
