

## MAGIC MOMENTS

We were all entertained to a wonderful virtual evening of magic arranged by the Master. Even before Alan Hudson appeared on our screens we thought magic was in the air as the Master seemed to have a halo! We were quickly enlightened that the background setting created a Mandala.

Alan Hudson is a member of The Inner Magic Circle with Gold Star. We had a wonderful evening with mind reading, sleight of hand and close up magic. It left most of you wordless and wondering how did he do that.

The youngest member of the audience was so impressed that she persuaded her mother to arrange a zoom magic 10<sup>th</sup> birthday party.
