

## WINE TASTING

The Master and Chair of the Fellowship Committee hosted a virtual Wine Tasting, organised on our behalf by Penny Heyes, Director of Great Wine Online. ([www.greatwineonline.co.uk](http://www.greatwineonline.co.uk)) on Tuesday 25 August.

Ben Gordon, Managing Director of Bodegas Volcanes in Chile guided us expertly through the evening with a tasting of three remarkable wines grown in his Chilean wineries. Ben broadcasted live from Chile!

We tasted 3 wines from Bodegas Volcanes de Chile: see <http://volcanesdechile.com/site/>

- Tectonia Sauvignon Blanc
- Tectonia Red (Granache/Petit Syrah/Mouvedre)
- Tectonia Pinot Noir

The evening was much complemented by Steve Parker, cheese expert who sent a selection to us from <https://www.teddingtoncheese.co.uk/acatalog/index.html> - and was promoting his new book!
